NIGHTSHADE SERIES

FULL CUTOFF WALLPACK

PRODUCT DESCRIPTION

The NightShade Series Full Cutoff Wallpack is designed to provide multiple lighting distributions for wallpack applications in a sleek, architecturally-pleasing package while eliminating light pollution.

Contractor-friendly Quick Mount Bracket allows for installation by a single person, and this fixture is also available with a multi-level occupancy sensor to maximize energy savings and field performance.

OVERVIEW

- Superior heavy duty die-cast aluminum construction
- UV-stabilized powder coat finish provides superior resistance to corrosion and weathering
- Dark Sky compliant (3000K only)
- Operating temperature range: -25°C to 50°C
- IP65 Rating
- CRI: Ra>80
- Rated Life: 50,000+ hours
- Limited warranty: 5 years on luminaire

PERFORMANCE

System Watts	Lumens**	Efficacy
30W	3811 lm**	131 lm/W**
50W	6410 lm**	125 lm/W**
15/30/50/72W	8407 lm**	117 lm/W**

*** Based on 5000K CCT*
